

Infant CPR Anytime:

A PERSONAL LEARNING PROGRAM

Lifesaving Skills in 22 Minutes!

The Infant CPR Anytime kit is a simple, "practice-while-watching" format that an entire family can use to learn how to respond during the first few minutes of an infant emergency. The kit uses the most current resuscitation science from the 2005 American Heart Association guidelines for CPR and Choking.

Infant CPR Anytime allows family, friends and others who care for infants to learn the core skills of CPR and relief of choking through the use of video self-instruction in just 22 minutes. The kit allows users to learn skills anytime and anywhere conveniently at your own pace. It is easy to learn and share with family and friends.

EACH INFANT CPR ANYTIME KIT CONTAINS:

- Mini Baby CPR Learning Manikin
- CPR Skills Practice DVD (22 minutes)
- Fold-Out Quick Reference Skills Reminder
- Practice Phone Card
- Directions for Use are Printed on the Inside of the Box
- Manikin Wipes (2)
- Mini Baby Spare Lung
- *All Contents are Latex Free*

Endorsed by the American Academy of Pediatrics and the American Heart Association!
